Book #7 – Book Cover

I love a good book cover! I'll go out of my way, pay more money, bid at auction, just to get the book cover I want for the book I want to own. Why own something that's not only a great read, but is aesthetically pleasing as well?! Your assignment is to create a ***new*** book cover for your book. This book cover must:

1. Be completely colored in
2. Have the book title
3. Have the author's name
4. Have an image that represents the book in some way
5. Have a quote from the book
6. Not copy any other cover that already exists for your book!

You **MUST** use the back of this paper for this assignment. Use the space provided below to explain why you chose to illustrate your cover the way that you did.
